Intrepid Young Adventurers Trail

Have you planned your 2019 school holidays? How does a 4 day Kruger backpacking adventure sound?

A wilderness experience filled with learning about bushcraft, tracking, navigation, the environment and conservation. These experiences positively inspire, influence and engage the body, mind and soul, at a level that is only possible when this close to nature. Safety is priority. The trips are led by two highly experienced, and qualified, Big 5 Kruger wilderness trails guides.
